 **What We Do**

The Illinois CancerCare Foundation is a charitable organization like no other in our community. We are proud to be a strong advocate for people facing cancer and are committed to helping ensure that anyone who faces cancer, regardless of their socioeconomic status, has access to Foundation supported research, education and awareness programs.

Our Mission 

The Illinois CancerCare Foundation is committed to funding research, education and awareness of a disease which affects 1 in 3 people. As we fight to find cures for many types of cancers through nationally recognized research initiatives, it is our strong belief that our patients must have available to them every possible weapon in their battle. The Illinois CancerCare Foundation seeks charitable support from throughout central Illinois to accomplish these objectives.

Program Booklet Opportunities

The Foundation's signature event offers you an opportunity to remember a loved one, support a cancer survivor, thank a caregiver or healthcare provider, or promote your business.

Please join us in providing hope and loving compassion for those forever touched by cancer.
