

2026 Corporate Partnership

Opportunities

ILLINOIS CANCERCARE
foundation

Who We Are

Making an impact in the lives of cancer patients in our community, while paving the way to a cure. Your event sponsorship provides funding for local Research, Education and Patient Services.

Our Mission

The Illinois CancerCare Foundation is committed to funding Research, Education, and Patient Services for a disease which affects 1 in 3 people. It is our strong belief that our patients must have available to them every possible weapon in their battle.

In-Kind Donation

Part of the success of the Foundation is provided through in-kind donations to our various events throughout the year. In-kind donations are recognized at the event and your company will receive a letter recognizing your tax deductible contribution.

Examples of in-kind donations include but are not limited to items for a raffle or silent auction, food or drink donations for a hole at Drive Fore Hope, or other event-specific expenses.

Donation

Generous gifts to the Foundation make it possible to keep HOPE alive for families coping with a cancer diagnosis through funding new research treatment trials, patient education, and patient care and support. These meaningful outright gifts help support the mission of the Foundation and help continue our efforts throughout the year. Outright gifts allow our patients and their families to stay right here in central and western Illinois for the very best cancer care possible.

Our Events

We invite you to become a corporate partner of the Illinois CancerCare Foundation and the patients we serve.

Your sponsorship will not only promote your company brand, it allows us to discover new ways to prevent, treat and cure cancer through groundbreaking research and cutting-edge programs. Your sponsorship dollars stay in central and western Illinois allowing you to make a daily impact in the fight against cancer in the communities you serve.

5th Annual BINGO Event Friday, March 6th

Sponsorship levels begin at \$100

Join us on **Friday, March 6th** for an exhilarating evening of entertainment and philanthropy at our highly anticipated BINGO Night! This event promises an unforgettable experience filled with laughter, excitement, and the chance to win fantastic prizes. Bring your friends, family, and colleagues for a night of friendly competition and community support. Whether you're a seasoned BINGO enthusiast or just looking for a fun night out for a great cause, BINGO Night is the perfect opportunity to come together and make a difference in the fight against cancer. In the past 4 years, this event has raised over \$45,000 for local cancer research initiatives, patient support programs, and community education programs.

*Must be 18+ years of age to participate in BINGO Night

5th Annual Drive Fore Hope Friday, July 10th

Sponsorship levels begin at \$250

Going into its fourth year, our charity golf outing, Drive Fore Hope, will be held at Metamora Fields on **Friday, July 10th**. Golfers will participate in an 18-hole golf scramble with a shotgun start. We will conclude the event with dinner and a short awards ceremony celebrating Closest to the Pin, Longest Drive and, of course, all Hole-In-One winners! All participants are invited to participate in our silent auction, raffle and 50/50 drawing. In the past 4 years, this event has raised over \$162,000 for local cancer research initiatives, patient support programs, and community education programs.

Target Audience: Business professionals and community members.

14th Annual Swing for the Cure Friday, June 5th

Sponsorship levels begin at \$250

A fun-filled event on **Friday, June 5th** at Peoria's very own Dozer Park, where cancer survivors are honored at a Peoria Chiefs game. Survivors and their families receive free tickets to the event and a survivor t-shirt. Illinois CancerCare staff and their families also join the fun and support the survivors as they gather for a practice-wide outing. In the past 13 years, this event has raised over \$89,000 for our patient support gas card program and our Trust in Hope holiday program.

Target Audience: Cancer survivors and families.

17th Annual CUREageous: HOPEcoming Getting outrageous in the quest for a cure Friday, November 20th

Sponsorship levels begin at \$500
Illinois CancerCare Foundation's longest-running fundraising event

Our signature event is so OUTRAGEOUS you won't want to miss the party on **Friday, November 20th!** This event honors area physicians and medical professionals who have made great strides in the field of research. CUREageous features live music, a silent auction and raffle, along with great food and our signature drink – the CUREtini! In the past 16 years, this event has raised over \$3.6 million for local cancer research initiatives, helping keep a CURE close to home.

Target Audience: Business and civic leaders along with medical professionals. Over 500 Attendees.

How Your Dollars Work

New Treatment Trials

People facing cancer are living longer, healthier lives as a direct result of clinical trials conducted in central and western Illinois. In fact, Illinois CancerCare's Heartland NCORP (NCI Community Oncology Research Program) is one of the nation's top enrollers in treatment and cancer control trials that seek to prevent cancer or control incidence rates. These advanced treatment options allow patients to remain in central and western Illinois for the best care possible, where they can be surrounded by family and friends. Illinois CancerCare Foundation supports clinical trial research, bringing over 100 clinical trials to local cancer patients.

Education and Advocacy

Gifts to the Foundation bring us closer to cures through support of educational events and training for volunteer advocates. Our goal is to share the importance of clinical research with the hope of reducing barriers to trial participation. The Foundation understands the best care we can provide is through prevention. Our goal is to educate our communities with steps to stay healthy.

Patient Support

Supported by Foundation gifts, the volunteer program with over 75 volunteers provides a special touch by lending a helping hand and items of comfort to patients and their families.

Foundation grants also provide transportation assistance, assessment tools, and lymphedema support, along with other studies and therapies that help patients deal with the side effects of cancer treatment.

Trust in
Hope

A helping hand for the holidays

Illinois CancerCare physicians and staff understand the demands that treatment can place on our patients and their families. We recognize that this could be especially true during the holidays.

In 2025

659 Thanksgiving meals were delivered to 36 communities and 74 patients.

51 families were provided holiday gifts for 86 children.

In the last 17 years, 5,917 Thanksgiving meals have been delivered and 868 children have received holiday gifts.

Genetic Screening

Genetic screening gives people the power to be proactive. For those with a family history of cancer, genetic testing can provide peace of mind ruling out a genetic link or it can allow those who are predisposed to take action. While many insurance plans cover the cost of testing, Foundation dollars help fill the gap when patients need support or testing is not covered. The Foundation launched a new Community Pancreatic Cancer Genetic Testing at no charge to first and second generation relatives of individuals diagnosed with pancreatic cancer.

Community Grants

At Illinois CancerCare, our commitment extends beyond exploring the latest advancements in cancer treatment or ensuring patients have access to the highest-quality care close to home. Your generous support enables more than just research—it helps fund community grants that do more than advance treatment. These initiatives directly improve the quality of life for cancer patients and their families. Together, we create a network of support that surrounds our patients in their fight against cancer. The community grants we provide help local organizations secure the funding they need to enhance patient support and services improving the quality of life for local cancer patients in our 14 clinic communities. In the fight against cancer, we are all truly connected.

Prepare for an evening of thrills and suspense as you dab your way to victory! With a variety of prizes up for grabs, including gift baskets, gift cards, and more, there's something for everyone. But the excitement doesn't stop there – indulge in delicious refreshments, mingle with fellow supporters, and take part in our exciting raffle for a chance to win exclusive prizes.

Friday, March 6th – Barrack's Cater Inn
